

## Spring Shoot 2009

Welcome to the Pheasants Forever 12<sup>th</sup> Annual Youth Shotgun League. This year registration will be at Scotty's Shooting Ranch on Sunday, February 1st at 1:00 p.m. We will begin shooting for handicap at Scotty's on the following Sunday, February 8<sup>th</sup> shooting seven weeks at Scotty's and the last week in Polson. Start times may be as early as 9:00 a.m. with teams cycling through at every hour. We will have team start times posted every week on the score board. Please check the start times every week as they will change from week to week. Please let us know at registration what time works best for your team and we will try to accommodate your needs. The Sporting Clays event in Polson will be our last shoot for the season; these scores will be added to your team's average so it will be important that all teams shoot this event. Transportation to Polson will be provided for those who have none. League shooting fees will be \$75.00 for the eight weeks and a \$150.00 league sponsorship per 5-person team. As always there will be some sponsorship money available to assist with the league sponsorships. Shooting fees will be collected in advance, you can pay at orientation or the first day you shoot. If you are unable to pay the shooting fees in advance please contact Mike England or Wally Wilkinson and make special arrangements. League sponsorship fees are due by the February 15<sup>th</sup> so please contact your league sponsors and make arrangements for payment. If you are new to the program or don't have enough shooters to form a team we will try to squad you with other members of equal ability.

Youth League is open to all youth 12 years old through their senior year of High School. Prior completion of a Hunter Safety course is mandatory. If this is your first year participating please bring your Hunter Safety number with you to registration. You need to bring your own shotgun and shells. Safety meetings will be held every Sunday prior to shooting. Each team will be assigned a safety coach at registration.
